Topic: Vegetable Lamb of Tartary

- a site operating similarly to the postcard assignment is a possibility, but a one page site with different sections as you scroll is also a possibility (leaving this choice up to the designer)**
- Editing historical photos to look like more colorful collages, with bright but minimal splashes of color**
- Mostly grayscale scheme aside from pops of color in collages, more muted colors in line with earthy theme of topic**
- Cover different sections in Wikipedia article**
